

## STORM A 'SALUTE' FOR POPE PIUS ON HIS NAME DAY

Pontiff Jocular as Tempest Rages, Then Celebrates and Receives Greetings.

ROME, March 19.—"This is a salute for my namesday," exclaimed Pope Pius when he was awakened early to-day by a terrific storm accompanied by vivid flashes of lightning and loud peals of thunder. This was St. Joseph's day and which is celebrated especially by the church. His Holiness shortly afterward celebrated mass in the presence of several specially invited guests including his sisters and a niece. After the mass his two sisters, Signorina Parolin, daughter of another sister, were received by the Pope in his private apartments where they stayed to breakfast.

The audience then began and a fatiguing day's work for the Pontiff ensued, although every function was cut to as brief a period as possible. He had already received the congratulations of the Sacred College yesterday, but a few of the cardinals returned to renew them to-day. He greeted also the members of his household and received a delegation from the Club of St. Peter, which presented him with a basket of fruit and flowers, the traditional gifts on this occasion.

All the corps of guards celebrated the occasion in some way—either by illuminating their quarters or giving a display of fireworks while during the changing of the guard the bands played and the colors of the various companies were unfurled. Hundreds of telegrams and addresses of congratulation were received at the Vatican from all parts of the world, many of them coming from the United States. The Pope himself dictated the replies in several cases personally. His Holiness appeared to be in excellent spirits.

### 30 GUN CARRIERS CONFESS.

Nearly 100 Cases All Told Are to Be Disposed Of.

Thirty gun carriers, indicted under the Sullivan law, pleaded guilty to-day before Judge Rosinsky in General Sessions. All were remanded until March 30 for sentence, the majority being continued on their bail bonds until that date. By arrangement of District Attorney Whitman with the Judges of General Sessions, the case of all those under indictment for violating the Sullivan law were placed upon the preferred calendar and assigned to Judge Rosinsky's court for disposition. There are nearly one hundred indictments pending and it is expected that all will be disposed of by either pleas of guilty or by trial before March 30.

### SEVEN RESCUED IN STORM.

Word has been received by the Leeland Steamship Company that its liner Nubian, now at Liverpool, England, after a voyage from Newport News, picked up at sea Capt. Jensen and his crew of six men of the schooner Julia A. Trubee, which had to be abandoned with its cargo of coal bound for Point a Pitre, Guadeloupe. The rescue was made in the midst of a storm and heavy seas, but the schooner's whole crew was saved. The Julia A. Trubee, a three-masted craft of 413 tons, is owned by F. L. Jones of No. 3 Stone street, and Perth Amboy on last Feb. 27 for voyage down the coast.

## SCHOONER IS SUNK BY OCEAN LINER AND ALL HER CREW LOST

Kaiser Wilhelm der Grosse on Voyage to New York Sends Ship to Bottom of North Sea.

BREMEN, Germany, March 19.—A three-masted schooner was sunk and all of her crew drowned in a collision last night with the North German Lloyd liner Kaiser Wilhelm der Grosse in the North Sea. The steamer remained in the vicinity for two hours, but could not discover any trace of the schooner's crew and she then resumed her voyage to New York. The name of the lost vessel is not known.

The Kaiser Wilhelm der Grosse left Bremen yesterday on her first trip since her reconstruction as a third-class and steamer passenger vessel. The captain sent the news of the collision in a wireless message to the company here.

Saved Crew of Schooner. KINSALE, Ireland, March 19.—The British steamer Nubian, when she passed here to-day, signalled that she had on board the crew of the American schooner Julia A. Trubee, which was abandoned on March 7 in latitude 38 north, longitude 66 west, while on her voyage from Perth Amboy to Point-a-Pitre, Martinique. The Nubian picked the men up while she was on her way from Galveston to Liverpool.

## MANAGER HELD ON BAIL AFTER HOTEL IS RAIDED

Guests of the Werner Snaken Out by Police at 1 o'clock in the Morning

Robert J. Brown, manager of the Hotel Werner, a twelve-story build-

ing, as thin as it is tall, at No. 132 West Forty-fifth street, was held in \$500 bail by Magistrate Simms in the West Side Police Court to-day for trial on Saturday next on the charge of running a disorderly house. There are seventy-two rooms in the hotel. Inspector Dwyer and a squad of men raided the place at 1 o'clock this morning and getting a pass key went from one room to another waking up the guests and demanding in

the fashion of police raiders: "Are you married?"

Some of the thirty-eight couples registered were so frightened that they scrambled for their street apparel and tried to make a break for the outside. According to the police, ample evidence was obtained to convict the manager. The detectives had been working quietly to get evidence before the raid and their stories will be added to the case for the prosecution Saturday. None of the patrons of the hotel were detained by the police. They were allowed to depart and all of them did so in great haste.

Missing Schooner Found. NORFOLK, Va., March 19.—The schooner Mitha Atkins of Bath, Maine, with a crew of nine, lost and in distress for three days off the Virginia coast, was found early to-day by the revenue cutter Chesapeake, three miles southwest of the wreck of the Old Dominion liner Monroe. A tug started for Baltimore with the schooner.

## BARKEEPER HAD A GUN.

Used the Gun When Two Attacked Him—All Arrested.

Aaron and William Roach, brothers, of No. 134 Skillman street, walked into Thomas Davis's saloon at No. 47 1/2 E. 14th avenue, Brooklyn, to-day, ordered and drank two glasses of whiskey and asked for two more. Davis wanted pay for the first round, when, he says, the Roach brothers rushed behind the bar and attacked him. He got a revolver from his cash drawer and beat Aaron Roach over the head

with the butt, but was compelled to run, with the brothers chasing and during him to shoot. They caught him on the street and beat him up, broke away from them and ran into the saloon, locking the door. Detectives Owens and O'Hara arrived at the saloon and found Davis and the Roach brothers as they were trying to break away from them and beat him up. Davis was locked up in the Ver. avenue station and later arraigned at the Gates Avenue Court, where he was held for assault with a dangerous weapon. Davis was holding a revolver in his possession.
